Home Run rule: Men's D-1, Men's E -0, Coed - 2.

Men's E-No Home Runs-Any home runs will be an inning ending out.

Kansas City Metro ASA Home Run rule: One Up home run rule Once both teams reach their respective home run limits, either team may hit an additional home run; however, no team may ever go more than one home run up on the other team. Any additional home runs about the one-up will be scored as an out. Example: Both Men's D teams have hit their respective one home run by the 3rd inning. In the 4th inning the visiting team is now allowed to hit another home run, and do so. In the bottom of the 4th the home team can now hit 2 home runs, which is allowed, because they are no more than one home run up on the other team. If one team does not hit their allotted home run limit, then the one-up home run rule will not be used. The home team, in the bottom of the 7th or later innings, may hit one home run to pull even in the number of home runs as the opposing team, but may not hit a home run to go one up.
