**Hummm....I have More Questions...**

**Aren't tournaments for those teams that play every weekend? My softball parents have a life and I don't think they'd be interested.**

Oh really? Tournaments are a blast!!! Usually your team will play three games on Saturday. Then, depending on those results, will determine when you play on Sunday. (Note to self: winning helps you play later on Sunday.) Some teams have cookouts in the parking lot or hang around and watch other teams. There's usually time in between games to run those errands and be back for more fun. It really is a great time to enjoy your children and have FUN!

**I've already asked for money for uniforms, league, etc. How much is THIS going to cost?**

Remember, we're doing this for the girls – not for profit. The ASA VIP SERIES Tournaments are between \$120 - \$170. Your team is guaranteed a minimum of four games. The [www.asavipseries.com](http://www.asavipseries.com) website has more information on fees, schedules, rules and how tournament fees are distributed.

**I'm only coaching this team because my daughter asked me to. I really don't know a lot about how tournaments work. Who can help? What can I expect?**

We've all been there. Start by reading the information on the [www.asavipseries.com](http://www.asavipseries.com) website. It has a lot of information to guide you through the process from rules to registration. When you get to the ballpark, make sure you check in with your tournament directors. They're nice people who are working hard to make sure you have a great

Tournament experience. They can explain the brackets, assist you with warm-up areas, and point you to the right field. (They usually have softballs for sale, extra score sheets, occasionally a pencil, etc.)

**Okay...so...the girls really want to do this. Am I crazy?**

No. It will be fun. Remember, you're playing other "C" division teams. Not every ball thrown will make it to its intended destination. Every pitch is not going to be a strike. Every player is not going to remember your signals. Every coach may not have signals. You get the idea....this is just about fun. Try an ASA VIP SERIES tournament once, you'll be hooked!!! We have a blast – you should too!

Still not sure? Register your team at [www.tournamentmvp.com](http://www.tournamentmvp.com) for information on future opportunities.

This is just the beginning. The excitement of ASA Softball is about to explode into the 2010 season! Our tournament directors have put together an awesome tournament schedule. We're here to keep your team playing as much as you wish, in a division that's right for you, for a fantastic summer of ASA Softball FUN!!!!

Come join us... ☺
