

2012 KC Metro Registration Reminders

Proof of current registration is required prior to participation in any tournament or league.
This applies to all teams regardless of age or division.

Review the instructions found on this website, then register your team.

Do not list yourself as both a Manager & a Non-player! If you do, the system will charge you twice! We will not refund anyone who incorrectly registers their personal information.

- All teams must register **at least** 9 Players & 1 Manager or Coach. You may register as many additional Players & Non-players as you wish.
- **To file a claim**, visit the Bollinger website at: www.bollingerasa.com

Claims must be filed within 30 days of the injury.

Certificates of Insurance:

The certificates are **emailed** from Bollinger Insurance to the **primary team contact**. If you don't receive one within a week, check your "spam" folder. Many times the email ends up there because it originates from a business.

Print & keep multiple copies of the certificates for your records.

Do not lose your certificate! There is a \$5.00 fee for requesting additional copies.

Insurance Cards for Players & Coaches

Cards will be mailed within 4-5 business days after receipt of payment & paperwork.

Do not lose these cards! Replacements are expensive.

Rush deliveries are available for an additional \$15.00.

Rush deliveries will be mailed **within 1-2 business days** after receipt of payment & paperwork.

Replacement Cards & Certificates: available for \$5.00 each & payable only online.

Email Lorie at jayvols@everestkc.net for replacement cards or certificates.
